MS Word - Review Tab Usage

The **Review Tab** in MS Word 2021 is crucial for reviewing, editing, and finalizing documents. It contains tools for spelling and grammar checks, comments, track changes, and comparing documents. This tab is particularly useful for collaboration, document proofreading, and ensuring content quality.

Step-by-Step Usage of the Review Tab

- 1. Spelling & Grammar Group
- Spelling & Grammar:
 - Usage: Check the document for spelling and grammatical errors.
 - Step-by-Step:
 - 0. Go to the **Review** tab.
 - 1. In the **Proofing** group, click on **Spelling & Grammar**.
 - 2. Word will start scanning the document for errors.
 - 3. For each detected error, Word will suggest corrections. You can choose to **Change**, **Ignore**, or **Add to Dictionary**.
 - 4. Once the document is checked, a message will appear stating, "Spell check complete."
- Thesaurus:
 - Usage: Find synonyms for a selected word.
 - Step-by-Step:
 - 0. Select the word you want to find a synonym for.
 - 1. In the **Review** tab, click **Thesaurus** in the **Proofing** group.
 - 2. A panel will appear on the left side, showing a list of synonyms for the selected word.
 - 3. Choose the synonym you want, and it will replace the original word in the document.

New Comment:

- o **Usage**: Add comments to a document for feedback or notes.
- Step-by-Step:
 - 0. Select the text or area where you want to add a comment.
 - 1. Click on **New Comment** in the **Comments** group.
 - 2. A comment bubble will appear on the right side of the document.
 - 3. Type your comment in the bubble. This is useful for giving feedback or making suggestions in collaborative editing.

Delete:

- Usage: Delete a selected comment from the document.
- Step-by-Step:
 - 0. Click on the comment you want to delete.
 - In the Comments group, click Delete.
 - 2. The comment will be removed from the document.

Previous / Next

- Usage: Navigate through comments in the document.
- Step-by-Step:
 - 0. Click **Previous** to go to the previous comment.
 - 1. Click Next to go to the next comment.
 - 2. This helps when reviewing multiple comments throughout the document.

Tracking Group

Track Changes:

- Usage: Turn on Track Changes to monitor and display edits made to the document.
- Step-by-Step:
 - 0. In the **Tracking** group, click **Track Changes** to activate it.
 - 1. Any edits you make in the document will be highlighted and marked as tracked changes.
 - 2. You can choose to display the changes in different ways, like by markup or balloons.

Accept / Reject Changes

- Usage: Review and accept or reject the changes made to the document.
- Step-by-Step:
 - 0. Click on the **Accept** or **Reject** button in the **Tracking** group.
 - 1. You can either accept or reject the current change, all changes, or just the selected change.
 - 2. Once you make your selection, Word will apply the change or remove it.

Show Markup:

- Usage: Choose which types of changes (comments, insertions, deletions) to display in the document.
- Step-by-Step:
 - 0. Click on **Show Markup** in the **Tracking** group.
 - 1. Select the types of changes you want to see (e.g., comments, formatting, insertions, deletions).
 - 2. This option allows you to customize what changes you want to track and display.

Language Group

- Language
 - o **Usage**: Change the language for spelling and grammar checking.
 - Step-by-Step:
 - 0. In the **Language** group, click **Language**.
 - 1. Select **Set Proofing Language**.
 - 2. Choose the desired language from the list and click OK.
 - 3. This will set the language for spell check and grammar checking in the document.

Compare Group

Compare:

- Usage: Compare two versions of a document to see the differences.
- Step-by-Step:
 - 0. In the **Compare** group, click **Compare**.
 - In the window that appears, select the two documents you want to compare.
 - 2. Word will generate a third document showing the differences between the two documents.

Combine

- o Usage: Combine changes from two documents into one.
- Step-by-Step:
 - Click Combine in the Compare group.
 - 1. Choose the original document and the revised document.
 - 2. Word will combine the changes and display them for you to review.

Protect Group

- Restrict Editing
 - o Usage: Limit the ability to edit a document.
 - Step-by-Step:
 - 0. In the **Protect** group, click **Restrict Editing**.
 - In the pane that opens, choose the restrictions you want to apply, such as limiting formatting or allowing only specific changes.
 - 2. Set a password to enforce the restrictions.
- Restrict Editing Options
 - Usage: Set more advanced editing restrictions.
 - Step-by-Step:
 - 0. Click More Options under Restrict Editing.
 - 1. You can select from different restrictions such as allowing only comments, filling in forms, or tracking changes.

Shortcut Keys for Review Tab

- F7: Open Spelling and Grammar check.
- Ctrl + Alt + M: Add a New Comment.
- Ctrl + Shift + E: Turn Track Changes on/off.
- Ctrl + Shift + C: Copy formatting (for comments and tracked changes).
- Ctrl + Shift + V: Paste formatting (for comments and tracked changes).

The Review Tab is essential for refining and finalizing documents. Whether you're proofreading, tracking edits, collaborating with others, or ensuring document quality, the tools in this tab provide comprehensive functionality for a smooth review process.

MS Word 2021 - Review Tab वापरण्याची स्टेप-बाय-स्टेप प्रकिया
